Answers to Frequently Asked Questions!

- Our tournaments are generally run every other Wednesday from April to October; sign up is done via e-mail, text or telephone call.
- Tee times are usually between 7 am and 9 am; times may fall slightly earlier, depending on tournament participation; tee times are e-mailed by 2 p.m. the day before the event.
- If you have constraints for early or late times, we do our best to accommodate you.
- We usually play the Blue Course, which is designated as the 9-hole course; tee sheet mailings will tell what course we are playing that week.
- Club notifications are generally sent via e-mail; please be sure your e-mail address is legible and current when filling out the membership application!
- You do not need to join with a partner; we will pair you up with a partner for team events if needed.
- We have coffee and snacks after each tournament; you are free to partake even if you did not play in the event!
- We run two ABCD events, where pairings are made by the committee; these are intended to provide the opportunity to play with club members you may not know well. Requests to play with specific members will not be honored.
- Tournament entry fees are generally \$3. The two exceptions are the Great Balls of Fire (\$4), and the Club Championship (\$5).
- Gross and Net Prizes are generally paid out to 1/3 of the field. Closest to the Pin prizes are \$5, and we pay one spot on two par 3 holes. Par 3 contests on all 4 par 3 holes in the Club Championship paying 2 spots! Tournament results are generally sent out via e-mail within two days of the event's end.

The Senior Club Member's Handbook

1. Know the Senior Club Tournament schedule shown below! Put it on your refrigerator and/or your calendar. Look for pre-tournament e-mail announcements!
2. Welcome new players to your group.
3. ALL your scores must be recorded online in the Handicap Golf Portal or in the GHIN System.
4. All tournament sign-up is done via e-mail, text, or telephone.
5. Tournament entry fees and winnings will be tracked by the Tournament Chairman, and accounts will be settled at the end of the season. You may make deposits to your account at any time during the season. Cash or checks payable to the Tournament Chairman are accepted.
6. Except for ABCD events, you may ask to be paired with specific players by requesting this at sign-up.
7. Be ready to play 5 minutes before your scheduled time so you are on the tee for your tee time! Keep up with the group in front of you! Repair ball marks and divots. Stanley is your golf course.
8. You should pick up your scorecard on the day of the tournament from the Tournament Chairman prior to your round. If the Tournament Chairman is not available, check with the starter. After you finish your round leave your score card with Tournament Chairman or in the box in the Senior Club alcove if he is not available.
9. Play by USGA rules, except as modified by Senior Club local rules below. No gimmies - putt everything out.
10. We encourage you to enjoy all the benefits of being a Senior Club member but especially by joining your fellow members in as many tournaments as your schedule will allow. Play well and have fun!

Local Rules to Govern All Senior Club Play at Stanley

1. You may lift and clean ball from ALL places and replace ball within 6 inches of its original location. (If ball was in the rough or in a trap, you must replace it in the rough or trap.)
2. You may rake sand and replace ball in all traps as needed.
3. You may not improve your position to the green. (As an example - if your ball lands behind a tree, you are not allowed to move it to a point where the tree is no longer an obstacle.)
4. Individual players may, of course, choose to play the ball in its original location without taking advantage of the above.
5. Lost ball or ball hit out of bounds; put a ball in play as close as possible to the spot where the lost ball was likely to be or drop ball in bounds at the spot it crossed the boundary. One stroke penalty.

Post Scores Online!

- ALL in season (see next paragraph) scores at Stanley or other courses must be recorded online in the Handicap Golf Portal or the GHIN System. You must post scores from other clubs, too.
- Connecticut, New England states, and other northern states observe a season for score posting. This season runs from April 1st to November 14th. Scores made within the season must be posted; scores outside these dates are not valid for posting. If you play in southern states like Florida or Arizona, there is no season, and scores made there must be posted.

If you are unsure about whether your score can be posted, you can use this link to check:

<https://www.usga.org/handicapping-articles/handicap-active-and-inactive-season-schedule-25489.html>

- To keep your handicap current, you should post your scores the same day you play. Updates in the systems are done daily.
- If you have trouble with the online site, you can use seniorclubatstanley@gmail.com to ask for help.
- The link for the portal is:

<http://stanley.golfclub.net>

You will be notified when the portal is available for use.

- Your password, if you are new to the club or forget it, is available on request via club e-mail at seniorclubatstanley@gmail.com (there is no provision in the system to change your password, so those requests must also be made to the e-mail address above).
- If you enter scores hole-by-hole, the maximum is adjusted automatically. Otherwise, you will have to adjust the total manually to limit the score on any hole to the net double bogey maximum.
